

Mackay School Drop-off / Pick-up

- Drop-off & pick-up zones are designed to have vehicles form a line and move forward as children are dropped-off and picked-up. When you arrive, please move forward as far as space allows. Do not leave your vehicle unattended in these zones during the posted times.
- For the safety of all students, please drop-off and pick-up at the curb only. Do not “double-park” to allow your child to exit/enter the car. This forces children to walk in between cars already waiting along the curb. This is dangerous as small children can easily be overlooked or hidden from view as they walk in front of or behind large SUV’s and cars trying to leave.
- If you need to leave your vehicle and walk your child into the school or drop-off belongings to the main office, you must find a legal parking space. Do not park your vehicle in fire lanes or in drop-off / pick-up zones.
- If you are parking, please be respectful of our neighbors. Do not block or park in private driveways. Police will be enforcing these regulations, as well as double-parking, blocking fire hydrants and cross-walks, parking in fire lanes, and parking within 50’ of any stop sign.
- On-street parking fills up quickly – especially at dismissal time. If you must park, plan to arrive early to find a legal parking spot. If you don’t immediately find a parking spot, please be patient. Drive around the block and give traffic some time to clear out.
